February 7 at 7PM in the KAL Library – Parent Presentation. From there, they will spend some time exploring the goals of SOGI-inclusive education and what they look like in practice.

February 10 at 12:10PM Student Assembly

The Out In Schools SOGI workshop is a 90 minute workshop that highlights the importance of language, terminology and allyship through action. It focuses on the sources of our opinions and diving into media representation. We also look at how our opinions influence our interactions with people in the 2SLGBTQIA+ community.

athletes during this four-day event.

The athletic events held at Kal will be karate, and the kids staying in the building will be participating in karate and figure skating.

We are very much in need of parents, senior students, and any community member to volunteer to welcome, check in, hand out snacks and basically help out in shifts of four hours in length, during these games. There are other areas as well as the accommodation directorate that need your support as well.

The web site to find out more information and apply to volunteer is:

<https://archive.bcgames.org/Games/Volunteer-for-the-Games>

Some paper volunteer forms will be available at the Kal office for pick up any time.

I will also speak to the Kal PAC about this at their meeting on February 21st.

My email is dagmarmaguire@shaw.ca. I will try to help you with any questions, and will forward any questions that I can't answer to the people who are more in the know.

Thank you for helping us plan a successful BC Winter Games!
