## Breakfast Program

We have a breakfast program to assist families in need from 8:00-8:25am each day. This program is open to all students and is at no charge.

## Smoke and Vape Free Schools

Kalamalka Secondary, like most schools across BC, continues to see concerning levels of vaping on school grounds. Vaping remains a violation of our SD22 Code of Conduct as well as the Tobacco and Vapour Product Control Act. Furthermore, it negatively impacts our bathrooms and common areas, takes away valuable educational time, and causes increased anxiety for many of our students. We encourage families to have open conversations with their children about the dangers of vaping – this link provides helpful information: <https://www.canada.ca/content/dam/themes/health/publications/healthy-living/vaping-mechanics-infographic/talking-teens-vaping-tip-sheet.pdf>. For more support, please contact our district Drug and Alcohol Counsellor Doug Rogers ([drogers@sd22.bc.ca](mailto:drogers@sd22.bc.ca)) or your family physician.

## Transportation-Bus Information

If your child uses the school district bus service they must be registered with the Transportation Department. You can find the registration form and bus route information on the following website: <https://sd22.bc.ca/programs-services/bus-transportation/>

All buses for School District #22 are identified by a Route Number. Magnetic signs are posted on buses to identify route numbers.

Please advise your children to look for this Route Number and not for the bus number to identify their bus.

## Student Absences

If your student is absent from school please notify the office to excuse the absence. email Wendy: [kaloffice@sd22.bc.ca](mailto:kaloffice@sd22.bc.ca) or phone: 250-545-1396
