How do I register a New account so I can start making appointments?

- At the *Login screen* (first page you see) - Click the link which reads ****New Parents: Start by clicking here.**

****NOTE: NEW PARENTS: Start by clicking here does not appear until OPTIS is open for bookings.**

- You should now see a registration form. Fill in the required information and click the Continue> link located at the bottom of the form.
- Once you have completed your registration you will be logged into your account where you will be able to make appointments. You can then add children to your account and schedule your appointments by teacher(s) you would like to meet with - (view your child's schedule in MyEd to determine your child's teacher(s)).
- Available times are listed as part of a drop-down menu. If an appointment time has already been booked, then it will no longer appear on the list.
- You will receive an e-mail confirmation of your appointment time(s)

There is a  **HELP** (how to instructions) section in the OPTIS program.
