

Exciting News Kalamalka Secondary Grads and Families!

Grad Cap and Gown and Full Length Fashion photos are coming up soon! Photo sessions will take place at the school, in the tech room. This environment allows us to provide quality photography within a safe and comfortable location.

Our goal is to provide portraits that CELEBRATE you and your 13 years of academic achievement. In order to appear in your school yearbook and on the commemorative school composite, it is important that you have your graduation photo taken by Mountain West Studios. We are your official graduation photographer!
