Athletics: <https://www.kalamalkaathletics.com/>

Our school was buzzing with basketball this winter, with eight different teams including one Gr.8 Girls team, two Gr.8 Boys teams, one Jr Girls team, two Jr Boys teams, and Sr Girls and Sr Boys teams. All our teams had great seasons and were

excellent ambassadors of our school at multiple tournaments (including one of our own). Our Jr Girls, Sr Girls, and Sr Boys teams are in contention to head to provincials with zones playoffs beginning this week. Our Sr Boys host the North Okanagan zones at Kal on February 11 and 12 – come and support them on their journey to great hoops! For game times, check out our Athletic calendar on the kal athletics homepage linked above.

If you would like to support the Kalamalka Athletic program in any way, please contact our Athletic Director, Jessie Bourgeois at jbourgeois@sd22.bc.ca

Grad 2025

Thank you to all you who have supported our Grad Fundraisers so far this year. Our next Parent meeting will be March 3 at 6:30 in the KAL Library.

Odd Squad Presentation – February 7 – Whole School Assembly

We will be fortunate to have Odd Squad Productions come and present to us

The work of Odd Squad Productions developed on the streets of the Downtown Eastside of Vancouver by a group of beat police officers. These officers saw firsthand the devastating consequences of substance abuse and brought reality-based education to the forefront of our productions. We aim to educate and encourage healthy and positive lifestyles for youth.

Middle Years Achievements

A collaborative group of our gr 8 and 9 (aka, middle years) teachers have been working hard to learn more about how our school can best support each and every one of our middle years learners, especially in their transition to high school. Through literacy assessments and empathy interviews to learn more about how students are doing, to hosting the incoming 2025-2026 grade 8s from our feeder schools for half-day experiences and cookie baking, our middle years teachers have been busy ensuring that the transition to high school life is exciting, engaging, and full of great learning opportunities.
