MyED Contact Information

A friendly reminder to inform our office if you have any changes to your contact information (address, phone number, email, etc.) so that we can update our MyED records. You can email Kara at kaladmissions@sd22.bc.ca or pop into the office to make the changes in person.

Pick-up/Drop-off in Parking Lot

A friendly reminder to keep our bus lane and entry-way clear when picking up and dropping off your child. Follow all signage and lines for entry and exit. We also ask parents to move forward in the pick-up / drop-off lane as far as possible during busy times so that more cars can pull in behind.

RCMP Street Smart Safety Tips

With Spring Break having arrived and everyone excited to be outside, it is a good time for families to talk about street smarts and safety. Here is a link to the RCMP Street Smart safety tips: <https://rcmp.ca/en/bc/safety-tips/children-and-youth/street-proofing-safety-tips>

School Fees

A reminder to parents that unpaid student fees are due. This includes workbooks, grad fees, sports fees, etc. Soccer, Rugby and AP exam fees have recently been added to your students MyEd accounts. Student fees can be paid by credit card through your MYED parent login or by cash, cheque or credit card at the school office. If you have any questions, please contact the office.

Lates and Absences:

If your student is late or absent from school, please notify the office to excuse the absence. Phone 250-545-1396 or email Wendy at kaloffice@sd22.bc.ca

Please let the office know of any change in phone numbers, address, or email so that you can stay up to date with the latest at Kal Secondary.

Email Kara: kaladmissions@sd22.bc.ca

Transportation-Bus Information

If your child uses the school district bus service they must be registered with the Transportation Department. You can find the registration form and bus route information on the following website: <https://www.sd22.bc.ca/bus-transportation>

All buses for School District #22 are identified by a Route Number. Magnetic signs are posted on buses to identify route numbers.

Please advise your children to look for this Route Number and not for the bus number to identify their bus.

Measles Prevention: What You Need to Know

Vaccination is the most effective way to prevent measles. Measles vaccines are tested and are effective at protecting your children and others from serious illness.

Having two doses of a measles-containing vaccine greatly reduces the risk of catching the disease. These two doses are nearly 100% effective and are recommended for children and teens.

<p>To book an appointment to update your child's immunization visit interiorhealth.ca or scan this QR code to find the closest Community Health Centre.</p>	<p>Book an Appt.</p> 	<p>If you are not sure if your child is fully protected against Measles, or other preventable diseases visit Health Gateway, or scan this QR code.</p>	<p>Check a Record</p>

Increased Measles Around the World

As you may have seen in the news, there is an increase in the number of measles cases being reported around the world, including in Canada and in B.C.

We would like to remind you to [check your child's vaccination records](#) before travelling during Spring Break and to ensure they are protected.

If you are planning to travel internationally:

- Babies between the age of 6 months and 1 year should get immunized against measles before travelling. This dose is not included in the routine two doses but will add to the protection against measles while travelling.
- Children between age 1 and 4 years can get their second dose early if they are travelling internationally before they are due at age 4-6yrs.

If your child has not yet had their vaccines, please make an appointment with your local public health unit. Children 4 years or older, as well as adults, can also be vaccinated at community pharmacies.

Measles is a serious illness caused by the measles virus. It is very contagious.

- It can spread easily through air.
- Measles can cause complications like inflammation of the brain (encephalitis), which can lead to seizures, deafness or brain damage. Other complications can include ear infection, diarrhea, pneumonia and death. This is why protection by vaccination is so important.

If you have immunization records for your child that are not recorded in their Health Gateway profile, you can submit those records online by sending them to immunizationrecord.gov.bc.ca
