Numeracy and Literacy Assessment

Students in Grade 12 who have not done the numeracy exam must ensure it is completed in order to qualify for graduation. Students wishing to redo the exam must sign up at the office. All students taking English 10 and Mathematics 11 this semester will be registered for the November 2nd and 3rd sitting of the assessment. Students will write in their classes. This year, all Grade 12 students will also have to complete the Grade 12 Literacy assessment in conjunction with their English class.

Communicating Student Learning (Reporting)

Our first communication of student progress will occur in conjunction with Student/family/teacher conferences. In these conferences, you will learn how your Kal student is performing in relation to the curricular competencies, next steps to improve in their development, and how to support the progression. Registration is now open.

Halloween

Kal leadership will be hosting Halloween activities on October 31st. Student participation is always excellent for this occasion. The following guidelines for costumes will help to ensure that the occasion is safe and enjoyable for everyone.

- Students need to be identifiable and visible to ensure safety.
- Costumes that are provocative, revealing, sexual in nature or employ questionable props will not be permitted on school grounds.
- Costumes that depict violence, alcohol or drugs are not appropriate. Fake weapons should not be brought to school.
- Costumes that could be offensive or perpetuate a stereotype of someone's culture, gender, heritage, or religion are not permitted. A resource to help better clarify this concern is the #IAMNotACostume Campaign which can be found at: <http://www.lspirg.org/costumes>
